

SAVE THE DATE & CALL FOR ABSTRACTS

Join us for the **3rd EuroQol UK & Ireland Regional Meeting 2026** on 25 March 2026 in Sheffield, UK—a unique opportunity to connect, share insights, and explore the latest developments in EQ-5D research.

One-Day Event Highlights

This one-day event will feature:

- Keynote presentations from leading experts
 - **Professor Donna Rowen** will present findings from the new UK EQ-5D-5L valuation study.
 - **Professor Nils Gutacker** will discuss the use of EQ-5D for routine measurement in the NHS.
- Submitted abstracts showcasing innovative research and practical applications.
- Interactive sessions, including short presentations on planned or potential future studies with live feedback from participants.

Abstract Submission Guidelines

We welcome abstract submissions from researchers across the UK and Ireland, including work in progress and contributions from early career researchers. Research abstracts from all areas of health-related quality of life and outcomes research are welcome. Priority will be given to submissions that align with the aims of the EQ Working Groups (Descriptive System, Valuation, Populations and Health Systems, EQ-5D in Younger Populations, Education and Outreach, EQ-HWB), so are abstracts on EuroQol-related research in innovative areas.

Please submit your abstract(s) through the [Abstract Submission Portal](#) by 7 January 2026, 23.59 CET. The Organising Committee will review all submissions and make decisions regarding acceptance.

Note,

- Each first author may submit a maximum of three abstracts for this meeting.
- Research abstracts: max 500 words
- Proposed research outlines: clearly marked, max 300 words
- Include author names, affiliations, and indicate if the presenting author is an early career researcher.

Travel Support & Registration

Reasonable travel costs will be reimbursed for attendees. Information on registering for the meeting is provided early 2026.

Submit your abstract and join the conversation shaping the future of EQ-5D research!
