

## First EuroQol Australasia Regional Meeting 2026

We are delighted to announce the **first EuroQol Australasia Regional Meeting**. This meeting will take place:

-  Thursday, 23 July – Friday, 24 July 2026
-  University of Technology Sydney (UTS) – Business School, Sydney, Australia
-  In-person format
-  [Abstract submission now open](#)

This meeting brings together researchers, policymakers, and practitioners with an interest in health-related quality of life (HRQoL) and preference-based measures. The two-day meeting will focus on policy-relevant and methodologically rigorous research related to the EuroQol Group's research agenda, mission and vision, and offer networking opportunities.

### WHAT TO EXPECT

#### Keynote Presentation

We are honoured to welcome **Professors [Emily Lancsar](#) and [Jeff Johnson](#)** as our keynote speakers! They will share their insights at the intersection of health economics, outcomes measurement, and policy.

#### Paper Discussion

The presentations will include both plenary-style discussions, following EuroQol's tradition where discussants present and comment on the accepted papers, as well as podium presentations.

#### Poster Session

During this session, authors will have the opportunity to briefly explain their study followed by a set discussion time

#### Abstract Submission

- We invite abstracts that use, develop, validate, value or apply EuroQol instruments. Only work directly related to EuroQol tools will be considered (max 500 words).
- Submit your abstract [here](#) no later than **Tuesday, 31 March, 11.59 PM AEDT**

#### Registrations

Registrations will commence in April 2026.

#### Contact

For any questions or more information contact the [Organising committee](#).
