

10th EuroQol Academy 2027

9 - 11 March | Budapest, Hungary

CALL FOR ABSTRACTS

We are pleased to announce that all EuroQol members are invited to attend the **10th EuroQol Academy 2027 (EQACA)** in **Budapest Hungary on 9-11 March**. The 7th EuroQol Early Career Researcher Meeting 2027 (ECR) is organized in advance of the ACA on Tuesday 9th March.

Academy Theme

The main objective of this meeting is to provide open sessions for EuroQol members that relate to the following meeting theme:

The Way Forward for Valuing EuroQol Instruments

This year, the meeting will focus on the way forward for valuing EuroQol instruments, exploring emerging challenges as EuroQol's portfolio of instruments and their applications continue to expand.

The scientific programme will bring together perspectives from different EuroQol Working Groups to discuss key conceptual, methodological and practical challenges related to valuation. Potential topics include the role of preference evidence in descriptive system development, emerging challenges in valuing new instruments, and alternative approaches to scoring EuroQol instruments beyond preference-based value sets.

Rather than focusing primarily on completed research or technical developments, the meeting aims to stimulate forward-looking discussions on unresolved questions, identify common challenges across instruments, and explore priorities for future research and collaboration.

Poster presentations

Guided poster sessions are scheduled for Wednesday 10th March. A moderator will lead viewers through each poster in turn, and the poster authors will be available for questions and clarifications. Each poster will be discussed for approximately 5-7 minutes. Research that aligns with the meeting theme and aims of the EuroQol Working Groups will be eligible for consideration and may be accepted for inclusion in the poster session. We kindly invite you to submit an abstract through the [Abstract Submission Portal](#) by **Monday 30 November 2026, 23.59 CET**.

Timelines	
Mon 30 Nov 2026, 23.59 CET	Deadline submitting abstracts
1 – 7 Dec 2026	Review and selection of abstracts
Friday 11 Dec 2026	Inform authors on acceptance of their abstracts
Monday 14 Dec 2026	Invitation to register for the meeting
Friday 15 Jan 2027, 23.59 CET	Deadline registering for the meeting
Friday 12 Feb 2027, 23.59 CET	Deadline for submitting digital posters (PowerPoint, landscape)

***NOTE for Early Career Researchers (ECRs):** ECRs are encouraged to submit their abstracts for consideration to both the EQECR2027 Meeting and EQACA2027 meeting (i.e., to submit the same abstract to both the ECR and Academy meeting, submit the abstract through both meeting submission portals). In the event their abstract is accepted for both meetings, the organizing committees will jointly decide at which meeting the work will be presented, considering the fit with the planned program. Acceptance at one meeting precludes acceptance at the other; the same work cannot be presented at both the ECR meeting and the Academy Meeting.

10th EuroQol Academy 2027

9 - 11 March | Budapest, Hungary

Participation

Individuals eligible to attend the meeting are:

- All EuroQol Group members
- Non-Members (Presenting author on accepted abstracts)
- Invited Guests
- EQ Office Team Members
- ECR meeting participants

Non-Members who do not have an accepted abstract but are interested in attending the meeting, can send a motivational letter to [Mandy van Reenen](#) via email **by 15 January 2027, 23.59 CET**. Participation approval (in-person only) will be given to those with the strongest –not necessarily earliest- overall motivational letter.

Further information on the final programme, registration procedure and meeting policy will follow soon. If you have any further questions, please contact [Zhihao Yang](#), Chair of the EQ Education and Outreach Team (EOT).

We look forward to receiving your abstracts!
